

# CARAT

## SPRING PROMOTIONS 2026

# ONE MACHINE. ALL APPLICATIONS.

**NEW!**

### A-2200D

- RFC – Reactive Force Control: maximum safety and control. Thanks to the smart protection, the machine stops immediately in the event of unexpected or abrupt movements.
- 2.200 watt.
- Restart protection prevents unexpected start-up after a power failure.
- Slow start for controlled and easy drilling.
- Controtec electronic slip clutch prevents motor overload.
